

WE ARE MAKING SOME CHANGES...

As a charity, we are making some important changes and here we will explain a little more about why we're doing this.

Juicy Blitz Youth Involvement Project was founded by Bread Youth Project almost 18 years ago, and in May 2018, merged and became an integral part of Oasis Hub North Bristol.

Since then, we have streamlined Juicy Blitz so that young people and those we serve, better understand what we do and the purpose that we have. We have worked to ensure our youth work stays relevant in the ever changing youth work environment and so that young people continue to shape and stay at the centre of what we do.

After a period of reflection and looking at extensive evidence based models, from September 2020 we are introducing the following changes:

OUR NAME: We are changing the name of our youth work from "Juicy Blitz" to "Oasis Youth Support". This is to be clearer about who we are and what we do.

OUR LOCATION: We are re-locating out of the current Juicy Blitz space & into lots of great indoor and outdoor facilities in Lawrence Weston. This will help us to become more accessible and reach more young people on a more regular basis.

OUR DELIVERY MODEL: We are re-vamping and adapting our current delivery model and outcomes to make sure our projects and programmes reflect young people's needs and interests as they are today.

Our 4 focus areas will be:-

- Detached Youth Work
- 1:1 Mentoring
- Targeted Support and Youth Led Social Action
- Open Access Youth Sessions

We appreciate that for many of you, this is a really difficult change to embrace, and that Juicy Blitz has been an important part of your journey. Please take some time out to process this. It's a big but important change that we must make to be the best we can be, **for you**. In the meantime, if you have any questions or concerns about these changes, please contact our Youth Support Team on....

Jordon Hudd (Lead Youth Worker) (07305430758)

Rebecca Hussey (Youth Project Manager) (07973948635)

Aisling Bennett (Hub Leader) (07788338701)

We hope you are excited as we are about our journey ahead. The Hub Team 😊
